Value: *Dignity and Respect for each MEMBER AND/OR PROVIDER*

Ethical Principle: *Each Provider has value for meeting the needs of our target population.*

Each Partner brings to the collaborative a unique set of skills, that when matched to the appropriate youth, can be effective in meeting the goals of the project or of Pregnancy Resources of Delaware County. These unique skill sets from multiple Provider and/or Providers offer us the best chance of meeting the many populations of vulnerable youth and families we seek to serve.
